

On August 28, 2006, ten years ago, Carrie Culberson arrived home from a night out with friends. Shortly thereafter, she disappeared without a trace. It was later determined that Carrie had been kidnapped and subsequently murdered by her boyfriend Vincent Doan.

Vincent Doan was later charged and convicted of Carrie's kidnapping and murder. He is now serving life without parole. To date, he refuses to reveal the location of Carrie's body, so that her family may lay her to rest.

Although Carrie's fate is known, it does not change the aching pain to be reunited with her once again for that final goodbye. We are asking for each of you to please continue to keep Carrie Culberson and her family on your prayers as we now move past a decade of searching for answers and closure.

Carrie is still missing but NOT forgotten.

"Fear them not therefore: for there is nothing covered, that shall not be revealed; and hid, that shall not be known"

Matthew 10:26
